Program Overview

The Family Medicine Program is primarily located at Palmetto General Hospital in Hialeah Florida. Each rotation is 4 weeks in length over three years. Throughout the duration of the program, residents will complete at least one half-day per week of continuity clinic experience thus exposing them to a diverse patient panel.

Program Participating Sites

1 - Palmetto General Hospital, 2 - Nova Southeastern University, 3 – Community Health of South Florida, Inc.

Elective Options

For rotations listed as "Elective" on the block schedule, residents may select from a list of clinical experiences on either the inpatient or outpatient setting. Elective options include: ICU, Nephrology, Neurology, Rheumatology, Infectious Disease, Gastroenterology, Cardiology, Hematology/Oncology, Otolaryngology, Ophthalmology, Dermatology, Non-operative Orthopaedics, Physical Medicine & Rehabilitation/Sports Medicine.
